

Duck tour

Arrived at Duck Tour place

We paid for the parking

Mrs Fielder told us to be good on the bus and we lined up.

The man said to sit down in the bus when we were on the land .

We found a seat and sat down

The man started the bus boat

We went down the road to the river .

The man drove into the water .

We came out of the water and drove back to the Start.

After a while we went back into the water and we drove around

The man said the bus was stuck on the ramp but it wasn't really.

The bus came out of the water and onto the road.

We went past a Lighthouse

The man said that the life jacket was under our seats.
